

## 05/11/12: Happy Mother's Day!

Of all the good fortune that most of us have had come our way in life, I think we would agree that our mothers and our children are pretty near the top of the list when we actually count our blessings. I know I have a fabulous mom, and as a mom myself, I can say without pause that one of my life's greatest experiences is being a mom. I am so grateful for my two wonderful daughters, and in that spirit wanted to send along a few quotes that I thought you would enjoy.

"Mothers hold their children's hand for a short while, but their hearts forever." -Unknown

"We never know the love of the parent until we become parents ourselves." -Henry Ward Beecher

"By and large, mothers and housewives are the only workers who do not have regular time off. They are the great vacationless class." Anne Morrow Lindbergh

"All mothers are working mothers." -Unknown

"It kills you to see them grow up. But I guess it would kill you quicker if they didn't." -Barbara Kingsolver

"No gift to your mother can ever equal her gift to you - life." -Anonymous

"Insanity is hereditary; you get it from your children." -Sam Levenson

HAPPY MOTHER'S DAY!!!
